Congregational Church Notes.

The Washington Birthday party
given in the chapel Tuesday night
under the auspices of the Ladies' Aid
society was a very enjoyable affair.
A pleasing and interesting literary and
musical program was presented by
members of the Philathea class assisted
by members of the choir and others,
after which dainty refreshments were
served. There was a good attendance
notwithstanding the severe cold weather,
and the hope was expressed by
many that similar gatherings be held
there frequently.

The midweek service will be held in
the vestry this evening at 7.30. This
is the first of a series of special
midweek services to be held through-
out the Lenten season. The general
theme will be, "Christian Life." What
it is, Why We Should Embrace It, and
How to Begin It, are among the
various phases to be considered. It is
planned to have special music at these
services and a special effort to make
them interesting and helpful will be
made. All who can come are most
heartily urged to do so.

At the morning service Sunday the
pastor will preach upon a theme
especially appropriate to the Lenten
period. The choir under Mr. Taplin's
direction will have some excellent
music. All who are not regular wor-
shippers elsewhere are cordially in-
vited to this service. The sacrament of
the Lord's Supper will be observed and
the offering for the educational society
will be taken. Our apportionment is
\$20 and we hope to raise it. The
Sunday school will meet at the close of
morning worship. The lesson topic,
"Trusting in Riches and Trusting in
God," is practical and should awaken
much interest. Classes for all ages
already organized and a hearty wel-
come to all who can join us.

The Jr. Endeavor society will meet
in the vestry Sunday afternoon as
usual. The interest in this meeting
and the progress that the society is
making is most gratifying.

The evening church service will be
held at 7.15 as heretofore. The first
portion will be devoted to praise. The
large chorus choir is expected to be
present and lead us in the hymns that
will never grow old though exceeding-
ly familiar. The pastor will give the
second sermon in the series, "Incen-
dies to Christian Work." The special
topic will be, "Some Personal Gains
from Soul-Winning." This will be a
practical and inspiring message. Be
present at this service if you possibly
can. It will be worth your while.

Deliverance." Leader, Mrs. Geo.
